Church Family,

Our theme verse for VBS this year is Philippians 1.6: "I am sure of this, that he who started a good work in you will carry it on to completion until the day of Christ Jesus."

There is a home lot that I pass from time to time where a builder cleared the lot and laid the foundation, but then the lot has sat like this for several years. Perhaps the contract fell through. Perhaps the builder decided the project was just too much trouble. But now, the unfinished structure constantly begs the question, will it ever be completed.

Oh what joy and comfort it is to know that this will not be the case for us as Christians! To be confident that God will not abandon his mission to save us and bring us to glory. That when we break faith with him, he will not call it quits.

Certainly, there may come times where the methods of God's craftsmanship puzzle us. There may be times where it seems to us like no progress is taking place or feel as if his plan is frightening. We may grow impatient to see the finished product.

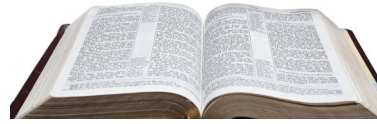

But in these times, we come back to the promise that those he has called, he will one day glorify (Romans 8.30). That just as God has called us to set our hand to the plow and not look back, he first determined to save us with no turning back. What blessed assurance it is, that our salvation will not be an unfinished ruin. And the reason that we know this, is not because we trust in ourselves to finish what God started, but rather because we trust that the God who began the work will finish his work, for our joy and for his glory!
